RISK FACTORS

Investing in our securities may involve risks. You should carefully consider the specific factors discussed under the caption “Risk Factors” in the applicable prospectus supplement, together with all the other information contained in the prospectus supplement or appearing or incorporated by reference into this prospectus. You should also consider the risks, uncertainties and assumptions discussed under the caption “Risk Factors” beginning of page 9 of our Annual Report on Form 10-K filed for the year ended February 1, 2025, which is incorporated by reference into this prospectus, as updated by annual, quarterly and other reports and documents we file with the SEC after the date of this prospectus and that are incorporated by reference herein or in the applicable prospectus supplement.

USE OF PROCEEDS

Except as otherwise set forth in a prospectus supplement, we intend to use the net proceeds from the sale of the securities offered hereunder for general corporate purposes, which could include capital expenditures, potential acquisitions, dividends and share repurchases as set forth in the applicable prospectus supplement.

DESCRIPTION OF CAPITAL STOCK

The following description of the terms of our capital stock is not meant to be complete and is qualified by reference to our amended and restated certificate of incorporation (as amended, the “certificate of incorporation”) and our amended and restated bylaws (“bylaws”), copies of which have been filed with the SEC and are incorporated herein by reference, and applicable provisions of law. See “Where You Can Find More Information.”

Authorized Capital Stock

Under our certificate of incorporation, our authorized capital stock consists of one billion shares of common stock with \$0.50 par value and 10 million shares of preferred stock with \$1.00 par value.

On March 7, 2025, there were approximately 214.2 million outstanding shares of our common stock and no outstanding shares of our preferred stock.

Common Stock

The outstanding shares of common stock are, and any shares of common stock issued will be, duly authorized, validly issued, fully paid and nonassessable. There are no restrictions on the alienability of shares of our common stock, and there are no sinking fund provisions for the redemption or purchase of shares of our common stock. The rights of holders of shares of our common stock will be subject to, and may be adversely affected by, the rights of holders of any shares of preferred stock that our Board of Directors may authorize and issue in the future, and may be modified by amendments to our certificate of incorporation and Delaware corporate law.

Our common stock is listed on the New York Stock Exchange under the symbol “BBWL.”

Voting Rights

Each holder of common stock is entitled to one vote for each share of common stock held of record on the applicable record date on all matters submitted to a vote of stockholders. Holders of common stock do not have cumulative voting rights.

Dividend Rights

Subject to the rights of holders of any shares of preferred stock which may at the time be outstanding, holders of common stock are entitled to receive dividends as may be declared from time to time by our Board of Directors out of funds legally available therefor.

Rights upon Liquidation or Dissolution

In the event of liquidation or dissolution, each share of common stock is entitled to share pro rata in any distribution of our assets after payment or providing for the payment of liabilities and the liquidation preference of any outstanding preferred stock. Holders of our common stock have no preferential, preemptive, conversion or redemption rights.

Preferred Stock

Under our certificate of incorporation, without further stockholder action, our Board of Directors is authorized to provide for the issuance of up to ten million shares of preferred stock without any further approval

from our stockholders. Preferred stock may be issued in one or more series, with such designations of titles, number of shares to comprise each series, dividend rates, any redemption provisions, special or relative rights in the event of liquidation, dissolution or winding-up of Bath & Body Works, Inc., any sinking fund provisions, any conversion provisions, any voting rights and any other preferences, rights and limitations as shall be set forth as and when established by our Board of Directors.

Acting under this authority, our Board of Directors could create and issue a series of preferred stock with rights, preferences and limitations, and adopt a stockholder rights plan having the effect of, discriminating against an existing or prospective holder of securities as a result of such stockholder beneficially owning or commencing a tender offer for a substantial amount of our common stock. One of the effects of authorized but unissued and unreserved shares of preferred stock may be to render more difficult or discourage an attempt by a potential acquirer to obtain control of Bath & Body Works, Inc. by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management. The issuance of such shares of preferred stock may have the effect of delaying, deferring or preventing a change in control of Bath & Body Works, Inc. without any further action by our stockholders. We have no present intention to adopt a stockholder rights plan, but could do so without stockholder approval at any future time.

The shares of any series of preferred stock will be, when issued, fully paid and nonassessable and the holders will have no preemptive rights in connection with the preferred stock.

Certain Provisions of Our Certificate of Incorporation and Bylaws

Board Nominations

Our bylaws provide that the number of directors will be fixed from time to time pursuant to a resolution adopted by a majority of the Board of Directors but must consist of not less than six or more than fifteen directors.

Nominations for the election of directors may be made by the Board of Directors or by any stockholder entitled to vote for the election of directors. Any such nomination of a person for election at our annual meeting, if not made by the Board of Directors, must be made by notice in writing to our Secretary and must contain the information required by and adhere to the procedures within our bylaws. Such notice must be delivered or mailed and received at our principal executive offices, not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders; provided that in the event that the date of the annual meeting is advanced more than 30 days prior to such anniversary date or delayed more than 60 days after such anniversary date, then such notice must be received no later than the later of 70 days prior to the meeting or the 10th day following the day on which public announcement of the date of the meeting was made. Pursuant to our proxy access bylaw, up to 20 stockholders owning 3% or more of the outstanding shares of our common stock continuously for at least three years may nominate the greater of two directors or up to 20% of our Board of Directors (rounded down to the nearest whole number), and include those nominees in our proxy materials. Notice of stockholder nominations for persons for election as a director that are to be included in our proxy statement must be delivered or mailed and received at our principal executive offices, not less than 120 days nor more than 150 days prior to the first anniversary of the date that we first distributed our proxy statement to stockholders for the immediately preceding annual meeting of stockholders.

The holders of preferred stock may be granted the right to elect a specific number of directors without any vote of the holders of shares of our common stock.

Amendments to Our Bylaws

Our certificate of incorporation grants our Board of Directors the authority to amend our bylaws without a stockholder vote.

Certain Anti-Takeover Effects

Certain Business Combinations and Transactions

Our certificate of incorporation provides that certain business combinations with any entity that beneficially owns 20% or more of the outstanding shares of our common stock and any outstanding shares of preferred stock entitled to vote on each matter on which the holders of record of our common stock shall be entitled to vote (the “Voting Shares”) (such entity, an “Interested Person”) will require for its approval the affirmative vote of at least a majority of the Voting Shares held by stockholders other than the Interested Person.

This provision does not apply if two-thirds of the Continuing Directors (as defined below) approved either the business combination or the acquisition of the Voting Shares which caused the Interested Person to own 20% or more of the Voting Shares. This provision also does not apply to any business combination where two-thirds of the Continuing Directors determine the consideration per share to be received by holders of the Voting Shares in connection with the business combination to be not less than the highest price per share paid by the Interested Person in acquiring the Voting Shares.

The term “Continuing Director” means a director who was a member of our Board of Directors immediately prior to the time that such Interested Person became an Interested Person, or a director who was elected or appointed to fill a vacancy after the date that such Interested Person became an Interested Person by a majority of the then-current Continuing Directors.

Delaware Business Combination Statute

Section 203 of the Delaware General Corporation Law (the “DGCL”) is applicable to us and restricts certain transactions and “business combinations” between a corporation and a 15% stockholder for a period of three years after the date of the transaction in which the stockholder acquires 15% or more of the company’s outstanding voting stock unless the business combination is approved in a prescribed manner. A “business combination” includes mergers, asset sales and other transactions resulting in a financial benefit to the interested stockholder.

Registrar and Transfer Agent

A register of holders of our shares of common stock is maintained by American Stock Transfer, who serves as registrar and transfer agent.

DESCRIPTION OF DEPOSITARY SHARES

The following description, together with the additional information that we include in any applicable prospectus supplements, summarizes the material terms and provisions of a depositary agreement and the related depositary receipts that we may offer under this prospectus. While the terms we have summarized below will apply generally to any depositary agreement and the related depositary receipts that we may offer under this prospectus, we will describe the particular terms of any depositary agreement and the related depositary receipts in more detail in the applicable prospectus supplement. The terms of any depositary agreement and the related depositary receipts offered under a prospectus supplement may differ from the terms described below.

We may, at our option, elect to offer fractional shares of preferred stock rather than full shares of preferred stock. If we exercise this option, we will issue to the public receipts for depositary shares, and each of these depositary shares will represent a fraction of a share of a particular series of preferred stock.

The shares of any series of preferred stock underlying the depositary shares will be deposited under a depositary agreement between us and a bank or trust company selected by us. The depositary will have its principal office in the United States and a combined capital and surplus of at least \$50,000,000. Subject to the terms of the depositary agreement, each owner of a depositary share will be entitled, in proportion to the applicable fraction of a share of preferred stock underlying the depositary share, to all of the rights and preferences of the preferred stock underlying that depositary share. Those rights may include dividend, voting, redemption, conversion and liquidation rights.

The depositary shares will be evidenced by depositary receipts issued under a depositary agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of preferred stock underlying the depositary shares, in accordance with the terms of the offering.

We will describe the material terms of the depositary agreement, the depositary shares and the depositary receipts in a prospectus supplement relating to the depositary shares. You should also refer to the forms of the depositary agreement and related depositary receipts that will be filed with the SEC in connection with the offering of the specific depositary shares.

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES OF DEBT SECURITIES

The following description, together with the additional information that we include in any applicable prospectus supplements, summarizes the material terms and provisions of the debt securities and any related guarantees that we may offer under this prospectus. While the terms we have summarized below will apply generally to any debt securities and related guarantees that we may offer under this prospectus, we will describe the particular terms of any debt securities and related guarantees in more detail in the applicable prospectus supplement. The terms of any debt securities and related guarantees offered under a prospectus supplement may differ from the terms described below.

We will issue senior debt securities under an indenture to be entered into between us and U.S. Bank Trust Company, National Association, as trustee (the “Senior Debt Indenture”). We will issue subordinated debt securities under an indenture to be entered into between us and U.S. Bank Trust Company, National Association, as trustee (the “Subordinated Debt Indenture”). Copies of each indenture are filed as exhibits to the registration statement to which this prospectus relates. The following summary of the indentures does not purport to be complete and is subject to, and qualified in its entirety by reference to, the indentures. Numerical references in parentheses below are to sections in the indentures. Wherever we refer to particular sections of, or defined terms in, the indentures, we intend that these sections or defined terms shall be incorporated herein by reference.

General

The debt securities will be unsecured general obligations of Bath & Body Works, Inc. and will constitute either senior or subordinated debt of Bath & Body Works, Inc. If so provided in a prospectus supplement or term sheet, the debt securities will have the benefit of the guarantees from the guarantors named therein. Our subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the debt securities or to make any funds available therefor, whether by dividends, loans or other payments, other than as expressly provided in the guarantees.

As a holding company, our principal source of funds is dividends and advances from subsidiaries. Our rights and the rights of our creditors, including the holders of debt securities, to participate in the assets of any subsidiary upon the subsidiary’s liquidation or reorganization would be subject to the prior claims of such subsidiary’s creditors, except to the extent that Bath & Body Works, Inc. may itself be a creditor with allowable claims against the subsidiary.

Each indenture provides that debt securities may be issued from time to time in one or more series. We may authorize the issuance and provide for the terms of a series of debt securities pursuant to a supplemental indenture, officers’ certificate or resolution of our Board of Directors, any duly authorized committee of the Board of Directors or any committee of officers or other representatives of Bath & Body Works, Inc. duly authorized by the Board of Directors for this purpose.

Each indenture provides Bath & Body Works, Inc. with the ability to “reopen” a previous issue of a series of debt securities and to issue additional debt securities of such series. Each indenture does not limit or otherwise restrict the amount of indebtedness which may be issued in accordance with it or that may otherwise be issued by us or any of our subsidiaries. (Sections 301 and 1301)

The indentures do not contain any covenants or provisions that would afford holders of debt securities protection in the event of a highly-leveraged transaction, reorganization, restructuring or similar transaction.

You should refer to the prospectus supplement relating to a particular series of debt securities for the terms of those debt securities, including, where applicable:

- classification as senior or subordinated debt securities;

- ranking of the specific series of debt securities relative to other outstanding indebtedness, including subsidiaries' debt;
- if the debt securities are subordinated, the aggregate amount of outstanding indebtedness, as of a recent date, that is senior to the subordinated securities, and any limitation on the issuance of additional senior indebtedness;
- the designation, aggregate principal amount and denominations of the debt securities;
- the price (expressed as a percentage of the aggregate principal amount of the debt securities) at which the debt securities will be issued;
- the date or dates of maturity;
- the currency or currencies in which the relevant debt securities are being sold and in which the principal of, premium if any, or interest on these debt securities will be payable and, if the holders of any of these debt securities may elect the currency in which payments according to such debt securities are to be made, the manner of the election;
- the annual rate or rates (which may be fixed, variable or zero) at which the relevant debt securities will bear interest;
- the date from which the interest on the relevant debt securities will accrue, the dates on which this interest will be payable and the date on which payment of this interest will commence;
- provisions relating to the deferral of interest payments or extension of interest payments on the subordinated debt securities, including the duration of any such deferral or extension period and the maximum period during which interest payments may be deferred or extended and any provisions relating to the obligations of the Company or limitations on claims of holders with respect to deferred interest;
- if the amount of payments of principal and premium, if any, or any interest may be determined with reference to an index based on a currency or currencies other than that in which the debt securities are stated to be payable, the manner in which these amounts shall be determined;
- if the amount of payments of principal and premium, if any, or any interest may be determined with reference to an index based on the prices of securities or commodities, with reference to changes in the prices of particular securities or commodities or otherwise by application of a formula, the manner in which this amount shall be determined;
- the dates on which and the price or prices at which the relevant debt securities will, pursuant to any mandatory sinking fund provision, or may, pursuant to any optional redemption or required repayment provisions, be redeemed or repaid and the other terms and provisions of any optional redemption or required repayment;
- whether such debt securities are to be issued in the form of one or more global securities and, if so, the identity of the depositary for such global security or securities;
- whether the subordinated debt securities will be convertible or exchangeable into shares of common stock or preferred stock, or any of our other capital stock, or any capital stock of any other issuer, cash, or any other property, or any combination of the foregoing, the terms on which such subordinated debt securities are convertible and any requirements relating to the reservation of such shares of common stock or preferred stock for purposes of conversion;
- any listing of debt securities on any securities exchange;
- whether and the extent that debt securities shall be guaranteed by the guarantors, the ranking of any such guarantee, the terms of such subordination, if applicable, of any such guarantee and the form of any such guarantee;

- the terms of any debt warrants offered together with the relevant debt securities; and
- any other specific terms of or matters relating to the relevant debt securities.
- The debt securities will be issuable only in fully registered form without coupons or in the form of one or more global securities, as described below under “Global Securities.” Unless the prospectus supplement specifies otherwise, debt securities denominated in U.S. dollars will be issued only in denominations of U.S. \$1,000 and any integral multiple of this amount. The prospectus supplement relating to debt securities denominated in a foreign or composite currency will specify the authorized denominations. (Sections 301 and 302)

Holders of debt securities (other than global securities) may present them for transfer (with the form of transfer endorsed thereon duly executed) or exchange for other debt securities of the same series at the office of any transfer agent or such other agency as may be designated by Bath & Body Works, Inc. without service charge and upon payment of any taxes and other governmental charges as described in the indenture. (Section 305)

Global Securities

The debt securities of a series may be issued in the form of one or more fully registered global securities that will be deposited with, or on behalf of, a depositary identified in the prospectus supplement relating to such series. In such case, one or more global securities will be issued in a denomination or aggregate denominations equal to the aggregate principal amount of outstanding debt securities of the series represented by such global security or securities. Unless and until it is exchanged in whole or in part for debt securities in definitive registered form, a global security may not be transferred except as a whole by a depositary for such global security to a nominee of such depositary or by a nominee of such depositary to such depositary or another nominee of such depositary or by such depositary or any such nominee to a successor of such depositary or a nominee of such successor. (Section 303) The specific terms of the depositary arrangement with respect to a series of debt securities will be described in the prospectus supplement relating to such series.

Limitations on Liens Under the Senior Debt Indenture

We have agreed under the Senior Debt Indenture that we will not, and will not permit any subsidiary (as defined below) to, incur, issue, assume or guarantee any indebtedness for money borrowed if such indebtedness is secured by a pledge of, lien on or security interest in any shares of voting stock (as defined below) of any significant subsidiary (as defined below), whether such voting stock is now owned or is hereafter acquired, without providing that each series of senior debt securities issued under such indenture (together with, if we shall so determine, any other indebtedness or obligations of Bath & Body Works, Inc. or any subsidiary ranking equally with such senior debt securities and then existing or thereafter created) shall be secured equally and ratably with such indebtedness. The foregoing limitation shall not apply to indebtedness secured by a pledge of, lien on or security interest in any shares of voting stock of any corporation at the time it becomes a significant subsidiary. (Section 505)

The term “subsidiary” means any corporation of which securities entitled to elect at least a majority of the corporation’s directors shall at the time be owned, directly or indirectly, by us or one or more other subsidiaries, or by us and one or more other subsidiaries. (Section 101)

The term “significant subsidiary” means a subsidiary (treated for purposes of this definition on a consolidated basis together with its subsidiaries) which meets any of the following conditions:

- our and our other subsidiaries’ investments in, and advances to, the subsidiary exceed 10% of the consolidated total assets as of the end of the most recently completed fiscal year;

- our and our other subsidiaries' proportionate share of the total assets (after intercompany eliminations) of the subsidiary exceeds 10% of the consolidated total assets as of the end of the most recently completed fiscal year; or
- our and our other subsidiaries' equity in the income from continuing operations before income taxes, extraordinary items and cumulative effect of a change in accounting principles of the subsidiary exceeds 10% of such consolidated income for the most recently completed fiscal year. (Section 505)

The term "voting stock" means capital stock the holders of which have general voting power under ordinary circumstances to elect at least a majority of the board of directors of a corporation; *provided* that capital stock that carries only a conditional right to vote upon the occurrence of an event shall not be considered voting stock, whether or not such event shall have occurred. (Section 505)

Limitations on Consolidations, Mergers and Sales of Assets

We have agreed under each indenture not to consolidate with or merge into another corporation, or sell other than for cash or lease all or substantially all our assets to another corporation, unless:

- either Bath & Body Works, Inc. is the continuing corporation or the successor corporation (if other than Bath & Body Works, Inc.) expressly assumes the obligations of the debt securities (in which case, except in the case of such a lease, we will be discharged from such obligations); and
- immediately after the merger, consolidation, sale or lease, we or the successor corporation (if other than us) would not be in default in the performance of any covenant or condition of the applicable indenture. (Sections 506 and 1401 of the Senior Debt Indenture and Section 801 of the Subordinated Debt Indenture).

Subordinated Debt

With respect to the subordinated debt securities, the payment of principal of, interest on and all other amounts owing in respect of the subordinated debt securities will be subordinated in right of payment to the prior payment in full in cash of principal of, interest on and all other amounts owing in respect of all of our senior indebtedness (as defined below). Upon any payment or distribution of our assets of any kind or character, whether in cash, property or securities, to creditors upon any total or partial liquidation, dissolution, winding up, reorganization, assignment for the benefit of creditors or marshaling of our assets or in a bankruptcy, reorganization, insolvency, receivership or other similar proceeding relating to us or our property, whether voluntary or involuntary, all principal of, interest on and all other amounts due or to become due will be paid, first, to all senior indebtedness in full in cash, or such payment duly provided for to the satisfaction of the holders of senior indebtedness, before any payment or distribution of any kind or character is made on account of any principal of, interest on or other amounts owing in respect of the subordinated debt securities (other than in permitted junior securities), or for the acquisition of any of the subordinated debt securities for cash, property or otherwise.

If any default occurs and is continuing in the payment when due, whether at maturity, upon any redemption, by declaration or otherwise, of any principal of, premium, interest on, unpaid drawings for letters of credit issued in respect of, or regularly accruing fees with respect to, any senior indebtedness, no payment of any kind or character will be made by or on behalf of us or any other person on our or their behalf with respect to any principal of, interest on or other amounts owing in respect of the subordinated debt securities (other than in permitted junior securities) or to acquire any of the subordinated debt securities for cash, property or otherwise.

If any other event of default occurs and is continuing with respect to any designated senior indebtedness, as such event of default is defined in the instrument creating or evidencing such designated senior indebtedness, permitting the holders of such designated senior indebtedness then outstanding to accelerate the maturity thereof

and if the representative (as defined in the applicable indenture) for the respective issue of designated senior indebtedness gives written notice of the event of default to the trustee, then, unless and until all events of default have been cured or waived or have ceased to exist or the trustee receives notice from the representative for the respective issue of designated senior indebtedness terminating the blockage period (as defined below), during the period commencing on the date of receipt of such default notice by the trustee and ending 179 days thereafter, neither we nor any other person on our behalf will:

- make any payment of any kind or character with respect to any principal of, interest on or other amounts owing in respect of the subordinated debt securities (other than in permitted junior securities); or
- acquire any of the subordinated debt securities for cash, property or otherwise.

Notwithstanding anything herein to the contrary, in no event will a blockage period extend beyond 179 days from the date the payment on the subordinated debt securities was due and only one such blockage period may be commenced within any 360 consecutive days. No event of default which existed or was continuing on the date of the commencement of any blockage period with respect to the designated senior indebtedness will be, or be made, the basis for commencement of a second blockage period by the representative of such designated senior indebtedness whether or not within a period of 360 consecutive days unless such event of default will have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action or any breach of any financial covenants for a period commencing after the date of commencement of such blockage period that, in either case, would give rise to an event of default pursuant to any provisions under which an event of default previously existed or was continuing will constitute a new event of default for this purpose).

As a result of the foregoing provisions, in the event of our insolvency, holders of the subordinated debt securities may recover ratably less than our general creditors.

“Senior indebtedness” means:

- (1) the principal, including redemption payments, premium, if any, interest and other payment obligations in respect of (a) our indebtedness for money borrowed, (b) our indebtedness evidenced by securities, debentures, bonds, notes or other similar instruments issued by us, including any such securities issued under any deed, indenture or other instrument to which we are a party and (c) guarantees of any of the foregoing;
- (2) all of our capital lease obligations;
- (3) all of our obligations issued or assumed as the deferred purchase price of property, all of our conditional sale obligations, all of our hedging agreements and agreements of a similar nature thereto and all agreements relating to any such agreements, and all of our obligations under any title retention agreement, but excluding trade accounts payable arising in the ordinary course of business;
- (4) all of our obligations for reimbursement on any letter of credit, banker’s acceptance, security purchase facility or similar credit transaction;
- (5) all obligations of the type referred to in clauses (1) through (4) above of other persons for the payment of which we are responsible or liable as obligor, guarantor or otherwise;
- (6) all obligations of the type referred to in clauses (1) through (5) above of other persons secured by any lien on any of our property or assets, whether or not such obligation is assumed by us; and
- (7) any deferrals, amendments, renewals, extensions, modifications and refundings of all obligations of the type referred to in clauses (1) through (6) above, in each case whether or not contingent and whether outstanding at the date of effectiveness of the applicable indenture or thereafter incurred,

except, in each case, for the subordinated debt securities and (i) any such other securities to be issued by us in the future that contain express terms, or are issued under a deed, indenture or other instrument, which contains express terms, providing that such securities are subordinate to or rank equal with the subordinated debt securities, (ii) trade accounts payable or accrued liabilities arising in the ordinary course of business and (iii) indebtedness owed by us to our subsidiaries, which also will rank equally in right of payment and upon liquidation to the subordinated debt securities.

Such senior indebtedness will continue to be senior indebtedness and be entitled to the benefits of the subordination provisions of the applicable indenture irrespective of any amendment, modification or waiver of any term of such senior indebtedness and notwithstanding that no express written subordination agreement may have been entered into between the holders of such senior indebtedness and the trustee for any of the holders.

“Permitted junior securities” means:

- our capital stock; or
- debt securities issued pursuant to a confirmed plan of reorganization that are subordinated in right of payment to all senior indebtedness and any debt securities issued in exchange for senior indebtedness that are subordinated to substantially the same extent as, or to a greater extent than, the subordinated debt securities are subordinated to the senior indebtedness under the indenture.

“Designated senior indebtedness” means any senior indebtedness the principal amount of which is at least \$20.0 million or more at the time we designate such senior indebtedness as designated senior indebtedness in a writing delivered to the trustee.

Subsidiary Guarantees

Each prospectus supplement or term sheet will describe any guarantees of debt securities for the benefit of the series of debt securities to which it relates.

If so provided in a prospectus supplement or term sheet, the debt securities issued under the Senior Debt Indenture will be guaranteed (each such guarantee being referred to as a “Senior Subsidiary Guarantee”), on a joint and several senior unsecured basis. If so provided in a prospectus supplement or term sheet, the debt securities issued under the Subordinated Debt Indenture will be guaranteed (each such guarantee being referred to as a “Subordinated Subsidiary Guarantee,” and together with the Senior Subsidiary Guarantee, the “Subsidiary Guarantee”), on a joint and several subordinated unsecured basis. As of the date of this prospectus, the guarantors consist of the following subsidiaries: Bath & Body Works Brand Management, Inc., Bath & Body Works Direct, Inc., Bath & Body Works, LLC, beautyAvenues, LLC, Beauty Specialty Holding, LLC and L Brands Service Company, LLC. The obligations of a guarantor under its Subsidiary Guarantee will be limited to the extent necessary to prevent the obligations of such guarantor under its Subsidiary Guarantee from constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

Modification of the Indentures

Each indenture contains provisions permitting us and the trustee, without the consent of the holders of debt securities, to establish, among other things, the form and terms of any series of debt securities issuable under each indenture by one or more supplemental indentures and, with the consent of the holders of not less than a majority in aggregate principal amount of the debt securities at the time outstanding of each series which are affected thereby, to modify each indenture or any supplemental indenture or the rights of the holders of the debt securities of such series to be affected, provided that no such modification will:

- extend the fixed maturity of any debt securities, reduce the rate or extend the time of payment of interest thereon (except for any deferral of interest permitted pursuant to Section 3.01, with respect to the subordinated debt securities), reduce the principal amount thereof or the premium, if any, thereon,

reduce the amount of the principal of original issue discount securities payable on any date, change the coin or currency in which principal of or any premium or interest on any debt securities is payable or impair the right to institute suit for the enforcement of any such payment on or after the maturity thereof, without the consent of the holder of each debt security so affected;

- reduce the aforesaid percentage of debt securities of any series, the consent of the holders of which is required for any such modification or for the waiver of past default in the case of subordinated debt securities, without the consent of the holders of all debt securities of such series then outstanding;
- with respect to the subordinated debt securities, modify any provision of Section 606, 1302 or Section 506 of the Subordinated Debt Indenture; or
- modify without the written consent of the trustee the rights, duties or immunities of the trustee. (Sections 1301 and 1302)

Defaults

The Senior Debt Indenture provides that events of default with respect to any series of debt securities will be:

- default for 30 days in payment of interest upon any debt security of such series;
- default in payment of principal (other than a sinking fund installment) or premium, if any, on any debt security of such series;
- default for 30 days in payment of any sinking fund installment when due by the terms of the debt securities of such series;
- default, for 90 days after notice, in the performance of any other covenant in the indenture (other than a covenant included in the indenture solely for the benefit of a series of debt securities other than such series); and
- certain events of bankruptcy or insolvency. (Section 601)

The Subordinated Debt Indenture provides that the failure to pay deferred interest on any subordinated debt securities for a period of 30 days after the conclusion of any permitted deferral period constitutes an event of default. (Section 601)

Additional events of default may be applicable to a series of debt securities if so provided in the supplemental indenture or board resolution applicable to such series. The prospectus supplement will describe any such additional events of default. If an event of default with respect to debt securities of any series should occur and be continuing, either the trustee or the holders of 25% in aggregate principal amount of the debt securities of such series then outstanding may declare each debt security of that series due and payable. (Section 602) We will be required to file annually with the trustee a statement of an officer as to the fulfillment of our obligations under the indenture during the preceding year. (Section 507 of the Senior Debt Indenture and Section 505 of the Subordinated Debt Indenture)

No event of default with respect to a single series of debt securities issued under each indenture (and under or pursuant to any supplemental indenture or board resolution) necessarily constitutes an event of default with respect to any other series of debt securities. (Section 602)

Satisfaction and Discharge of the Indentures

At our request, an indenture will be cancelled by the trustee and the guarantees will be discharged if all sums due to the trustee under such indenture have been paid in full and:

- all debt securities previously issued under such indenture have been cancelled or delivered to the trustee for cancellation;

- the principal of, and premium, if any, and the amounts due upon conversion or exchange of, if applicable, and interest on, all debt securities issued under such indenture then outstanding have been paid in full; or
- funds have been deposited with the trustee at the maturity of the debt securities sufficient to pay in full the principal of, and premium, if any, and interest on all debt securities then outstanding. (Sections 1101 and 1102)

Defeasance

If so described in a prospectus supplement relating to debt securities of a specific series, we may discharge our indebtedness and obligations, together with the obligations of the guarantors, or terminate certain of our obligations under the relevant indenture with respect to the debt securities of such series by depositing funds or obligations issued or guaranteed by the United States with the trustee. (Sections 1103 and 1104)

Concerning the Trustee

U.S. Bank Trust Company, National Association will be the trustee under each indenture. We have and may from time to time in the future have banking relationships with the trustee in the ordinary course of business. Each indenture will contain certain limitations on a right of the trustee, as our creditor, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; provided that if it acquires any conflicting interest, it must eliminate such conflict or resign.

Subject to the terms of each indenture, the holders of a majority in principal amount of the securities issued and outstanding under each indenture will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy or power available to the trustee.

In case an event of default occurs, and is continuing under either indenture and is actually known to a responsible officer of the trustee, the trustee will exercise such of the rights and powers vested in it by the applicable indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Subject to such provisions, the trustee will not be under any obligation to exercise any of its rights or powers under either indenture at the request of any of the holders of securities issued under such indenture (including the subordinated debt securities) unless they will have offered to the trustee security and indemnity satisfactory to it.

The following description, together with the additional information that we include in any applicable prospectus supplements, summarizes the material terms and provisions of the warrants that we may offer under this prospectus. We may issue warrants to purchase our debt or equity securities or securities of third parties or other rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies, securities or indices, or any combination of the foregoing. Warrants may be issued independently or together with any other securities and may be attached to, or separate from, such securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a warrant agent. The terms of any warrants to be issued and a description of the material provisions of the applicable warrant agreement will be set forth in the applicable prospectus supplement.

The applicable prospectus supplement will describe the following terms of any warrants in respect to which this prospectus is being delivered:

DESCRIPTION OF PURCHASE CONTRACTS

The following description, together with the additional information that we include in any applicable prospectus supplements, summarizes the material terms and provisions of the purchase contracts that we may offer under this prospectus. While the terms we have summarized below will apply generally to any purchase contracts that we may offer under this prospectus, we will describe the particular terms of any purchase contracts in more detail in the applicable prospectus supplement. The terms of any purchase contracts offered under a prospectus supplement may differ from the terms described below.

We may issue purchase contracts for the purchase or sale of:

- debt or equity securities issued by us or securities of third parties, a basket of such securities, an index or indices of such securities or any combination of the above as specified in the applicable prospectus supplement;
- currencies; or
- commodities.

Each purchase contract will entitle the holder thereof to purchase or sell, and obligate us to sell or purchase, on specified dates, such securities, currencies or commodities at a specified purchase price, which may be based on a formula, all as set forth in the applicable prospectus supplement. We may, however, satisfy our obligations, if any, with respect to any purchase contract by delivering the cash value of such purchase contract or the cash value of the property otherwise deliverable or, in the case of purchase contracts on underlying currencies, by delivering the underlying currencies, as set forth in the applicable prospectus supplement. The applicable prospectus supplement will also specify the methods by which the holders may purchase or sell such securities, currencies or commodities and any acceleration, cancellation or termination provisions or other provisions relating to the settlement of a purchase contract.

The purchase contracts may require us to make periodic payments to the holders thereof or vice versa, which payments may be deferred to the extent set forth in the applicable prospectus supplement, and those payments may be unsecured or prefunded on some basis. The purchase contracts may require the holders thereof to secure their obligations in a specified manner to be described in the applicable prospectus supplement. Alternatively, purchase contracts may require holders to satisfy their obligations thereunder when the purchase contracts are issued.

Our obligation to settle such pre-paid purchase contracts on the relevant settlement date may constitute indebtedness. Accordingly, pre-paid purchase contracts will be issued under either one or more of the indentures.

DESCRIPTION OF UNITS

The following description, together with the additional information that we include in any applicable prospectus supplements, summarizes the material terms and provisions of the units that we may offer under this prospectus. While the terms we have summarized below will apply generally to any units that we may offer under this prospectus, we will describe the particular terms of any series of units in more detail in the applicable prospectus supplement. The terms of any units offered under a prospectus supplement may differ from the terms described below.

As specified in the applicable prospectus supplement, we may issue units consisting of one or more purchase contracts, warrants, debt securities, shares of preferred stock, shares of common stock or any combination of such securities. The applicable prospectus supplement will describe:

- the terms of the units and of the purchase contracts, warrants, debt securities, shares of preferred stock and shares of common stock comprising the units, including whether and under what circumstances the securities comprising the units may be traded separately;
- a description of the terms of any unit agreement governing the units; and
- a description of the provisions for the payment, settlement, transfer or exchange of the units.

PLAN OF DISTRIBUTION

We may sell the securities, separately or together in units, in several ways, including:

- through underwriters or dealers;
- through agents; or
- directly to a limited number of purchasers or to a single purchaser.

The prospectus supplement with respect to a particular offering of securities will set forth the terms of the offering of such securities, including the name or names of any underwriters or agents, the purchase price of such securities, the proceeds to Bath & Body Works, Inc. from such sale, any underwriting discounts and other items constituting underwriters' compensation, any initial public offering price, any discounts or concessions allowed or reallocated or paid to dealers and any securities exchanges on which such securities may be listed.

If underwriters are used in the sale, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be either offered to the public through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

Any underwriters, broker-dealers and agents that participate in the distribution of such securities may be deemed to be "underwriters" as defined in the Securities Act of 1933, as amended (the "Act"). Any commissions paid or any discounts or concessions allowed to any such persons, and any profits they receive on resale of the securities, may be deemed to be underwriting discounts and commissions under the Act. We anticipate that any underwriting agreement pertaining to any such securities will:

- entitle the underwriters to indemnification by us against certain civil liabilities under the Act or to contribution with respect to payments which the underwriters may be required to make in respect of such liabilities;
- provide that the obligations of the underwriters will be subject to certain conditions precedent; and
- provide that the underwriters generally will be obligated to purchase all such securities if any are purchased.

Securities also may be offered directly by us or through agents designated by us from time to time. Any such agent will be named, and the terms of any such agency (including any commissions payable by us to any such agent) will be set forth, in the prospectus supplement relating to such securities. Unless otherwise indicated in such prospectus supplement, any such agent will act on a best efforts basis for the period of its appointment. Agents named in a prospectus supplement may be deemed to be underwriters (within the meaning of the Act) of the securities described in such prospectus supplement and, under agreements which may be entered into with us, may be entitled to indemnification by us against certain civil liabilities under the Act or to contribution with respect to payments which the agents may be required to make in respect of such liabilities.

We may enter into derivative or other hedging transactions with financial institutions. These financial institutions may in turn engage in sales of common stock to hedge their position, deliver this prospectus in connection with some or all of those sales and use the shares covered by this prospectus to close out any short position created in connection with those sales. We may also sell shares of common stock short using this prospectus and deliver common stock covered by this prospectus to close out such short positions, or loan or pledge common stock to financial institutions that in turn may sell the shares of common stock using this prospectus. We may pledge or grant a security interest in some or all of the common stock covered by this prospectus to support a derivative or hedging position or other obligations and, if we default in the performance of our obligations, the pledgees or secured parties may offer and sell the common stock from time to time pursuant to this prospectus.

Underwriters and agents may be customers of, engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business.

If so indicated in a prospectus supplement, we will authorize underwriters, dealers or other agents of ours to solicit offers by certain specified entities to purchase securities from us pursuant to contracts providing for payment and delivery at a future date. The obligations of any purchaser under any such contract will not be subject to any conditions except those described in such prospectus supplement. Such prospectus supplement will set forth the commissions payable for solicitations of such contracts.

Our common stock is listed on the New York Stock Exchange under the symbol “BBWI.”

Underwriters and agents may from time to time purchase and sell securities in the secondary market, but are not obligated to do so, and there can be no assurance that there will be a secondary market for the securities or liquidity in the secondary market if one develops. From time to time, underwriters and agents may make a market in or engage in stabilization activities for the securities.

One or more firms, referred to as “remarketing firms,” may also offer or sell the securities, if the prospectus supplement so indicates, in connection with a remarketing arrangement upon their purchase. Remarketing firms will act as principals for their own accounts or as agents for us. These remarketing firms will offer or sell the securities in accordance with a redemption or repayment pursuant to the terms of the securities. The prospectus supplement will identify any remarketing firm and the terms of its agreement, if any, with us and will describe the remarketing firm’s compensation. Remarketing firms may be deemed to be underwriters in connection with the securities they remarket. Remarketing firms may be entitled under agreements that may be entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Act, as amended, and may be customers of, engage in transactions with or perform services for us in the ordinary course of business.

LEGAL OPINIONS

Certain legal matters in connection with the securities to be offered by this prospectus will be passed upon for us by Davis Polk & Wardwell LLP, New York, New York. Any underwriters, dealers or agents will be advised by their own legal counsel concerning issues relating to any offering.

Item 15. Indemnification of Directors and Officers

We are a Delaware corporation. Section 102(b)(7) of the DGCL enables a corporation to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of the director's fiduciary duty, except:

- for any breach of the director's duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or
- for any transaction from which the director derived an improper personal benefit.

In accordance with Section 102(b)(7) of the DGCL, the Restated Certificate of Incorporation, as amended, of Bath & Body Works includes a provision eliminating, to the fullest extent permitted by the DGCL, the liability of Bath & Body Works' directors to Bath & Body Works or its stockholders for monetary damages for breach of fiduciary duties as director.

Section 145(a) of the DGCL empowers a corporation to indemnify any present or former director, officer, employee or agent of the corporation, or any individual serving at the corporation's request as a director, officer, employee or agent of another organization, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The DGCL provides that the indemnification described above shall not be deemed exclusive of any other indemnification that may be granted by a corporation pursuant to any by-law, disinterested directors' vote, stockholders' vote, agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability as described above.

In accordance with Section 145(a) of the DGCL, Bath & Body Works' Amended and Restated Bylaws provide that every person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person, or such person's testator or intestate, is or was serving as a director or officer of Bath & Body Works or is or was serving at the request of Bath & Body Works as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, or as a member of any committee or similar body, shall be indemnified to the fullest extent permitted under the laws of Delaware against all expenses (including attorney's fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding (including appeals) or the defense or settlement thereof or any claim, issue, or matter therein. Expenses incurred by a director or officer in defending such an action, suit or proceeding may be paid by Bath & Body Works in advance of the final disposition of such action, suit or proceeding if such indemnification and/or payment is approved by the vote of the stockholders or of the disinterested directors, or is, in the opinion of independent legal counsel selected by the Board of Directors of Bath & Body Works, to be made on behalf of an indemnitee who acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of Bath & Body Works.

In addition, Bath & Body Works' officers and directors are insured under an officers and directors liability insurance policy.

In addition, Bath & Body Works has entered into separate indemnification agreements with certain of its current and former executive officers and directors. These indemnification agreements provide officers and directors with contractual rights to indemnification and advancement and reimbursement of expenses, to the fullest extent permitted under Delaware law, subject to certain exceptions contained in those agreements.

See Exhibit Index.

Item 17. Undertakings

Each undersigned Registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering hereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (e) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrants undertake that in a primary offering of securities of the undersigned Registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrants will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) any preliminary prospectus or prospectus of the undersigned Registrants relating to the offering required to be filed pursuant to Rule 424;
 - (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrants or used or referred to by the undersigned Registrants;
 - (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrants or its securities provided by or on behalf of the undersigned Registrants; and
 - (iv) any other communication that is an offer in the offering made by the undersigned Registrants to the purchaser.

- (f) The undersigned Registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Bath & Body Works' annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference into the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (g) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

When the necessary corporate action on the part of the Company has been taken to authorize the issuance and sale of such shares of Common Stock proposed to be sold by the Company, and when such shares of Common Stock are issued and delivered in accordance with the applicable underwriting or other agreement against payment therefor (in excess of par value thereof) or upon conversion or exercise of any security offered under the Registration Statement (the “**Offered Security**”), in accordance with the terms of such Offered Security or the instrument governing such Offered Security providing for such conversion or exercise as approved by the Board of Directors of the Company, for the consideration approved by such Board of Directors (which consideration is not less than the par value of the Common Stock), such shares of Common Stock will be validly issued, fully-paid and non-assessable.
2. Upon designation of the relative rights, preferences and limitations of any series of Preferred Stock by the Board of Directors of the Company and the proper filing with the Secretary of State of the State of Delaware of a Certificate of Designation relating to such series of Preferred Stock, all necessary corporate action on the part of the Company will have been taken to authorize the issuance and sale of such series of Preferred Stock proposed to be sold by the Company, and when such shares of Preferred Stock are issued and delivered in accordance with the applicable underwriting or other agreement against payment therefor (in excess of par value thereof), such shares of Preferred Stock will be validly issued, fully paid and non-assessable.
3. When the Indentures and any supplemental indenture to be entered into in connection with the issuance of any Debt Securities have been duly authorized, executed and delivered by the Trustee and the Company; the specific terms of a particular series of Debt Securities have been duly authorized and established in accordance with the applicable Indenture; and such Debt Securities have been duly authorized, executed, authenticated, issued and delivered in accordance with the applicable Indenture and any supplemental indenture and the applicable underwriting or other agreement against payment therefor, such Debt Securities will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law, (y) the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above, or (z) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Debt Securities to the extent determined to constitute unearned interest.
4. When the applicable deposit agreement has been duly authorized, executed and delivered by the parties thereto, and Preferred Stock has been deposited thereunder, any Depositary Shares when issued in accordance with the terms thereof will be valid and binding instruments in accordance with their terms and the terms of the applicable deposit agreement.
5. When the Guarantees have been duly executed and delivered by the parties thereto as contemplated by the applicable Indenture and any supplemental indenture and the applicable underwriting or other agreement, the Guarantees will constitute valid and binding obligations of the applicable Guarantor, enforceable in accordance with their respective terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law and (y) the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above.
6. When the Warrant Agreement to be entered into in connection with the issuance of any Warrants has been duly authorized, executed and delivered by the Warrant Agent and the Company; the specific terms of the Warrants have been duly authorized and established in accordance with the Warrant Agreement; and such Warrants have been duly authorized, executed, issued and delivered in accordance with the Warrant Agreement and the applicable underwriting or other agreement against payment therefor, such Warrants will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, concepts of reasonableness and equitable principles of general applicability.

7. When the Purchase Contract Agreement to be entered into in connection with the issuance of any Purchase Contracts has been duly authorized, executed and delivered by the Purchase Contract Agent and the Company; the specific terms of the Purchase Contracts have been duly authorized and established in accordance with the Purchase Contract Agreement; and such Purchase Contracts have been duly authorized, executed, issued and delivered in accordance with the Purchase Contract Agreement and the applicable underwriting or other agreement against payment therefor, such Purchase Contracts will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability.
8. When the Unit Agreement to be entered into in connection with the issuance of any Units has been duly authorized, executed and delivered by the Unit Agent and the Company; the specific terms of the Units have been duly authorized and established in accordance with the Unit Agreement; and such Units have been duly authorized, executed, issued and delivered in accordance with the Unit Agreement and the applicable underwriting or other agreement against payment therefor, such Units will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability.

In connection with the opinions expressed above, we have assumed that, at or prior to the time of the delivery of any such security, (i) the Board of Directors of the Company and the Board of Directors or Sole Members of the Guarantors, as the case may be, shall have duly established the terms of such security and duly authorized the issuance and sale of such security and such authorization shall not have been modified or rescinded; (ii) each of the Company and the Guarantors is, and shall remain, validly existing as a corporation or limited liability company, as applicable, in good standing under the laws of the State of Delaware; (iii) the Registration Statement shall have become effective and such effectiveness shall not have been terminated or rescinded; (iv) the Indentures, the Debt Securities, the Warrant Agreement, the Purchase Contract Agreement, the Unit Agreement, the Guarantees and the Depositary Agreement are each valid, binding and enforceable agreements of each party thereto (other than as expressly covered above in respect of the Company and each Guarantor); and (v) there shall not have occurred any change in law affecting the validity or enforceability of such security. We have also assumed that the (i) execution, delivery and performance by the Company or any Guarantor of any security whose terms are established subsequent to the date hereof (a) require no action by or in respect of, or filing with, any governmental body, agency or official and (b) do not contravene, or constitute a default under, any provision of applicable law or regulation or any judgment, injunction, order or decree or any agreement or other instrument binding upon the Company or any Guarantor, and (ii) any Warrant Agreement, Purchase Contract Agreement and Unit Agreement will be governed by the laws of the State of New York.

We are members of the Bar of the State of New York and the foregoing opinion is limited to the laws of the State of New York, the General Corporation Law of the State of Delaware and the Delaware Limited Liability Company Act.

ARTICLES OF ASSOCIATION
OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the

Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars (\$10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

- (1) Define the duties of the officers, employees, and agents of the Association.
- (2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
- (3) Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- (4) Dismiss officers and employees.
- (5) Require bonds from officers and employees and to fix the penalty thereof.
- (6) Ratify written policies authorized by the Association's management or committees of the board.
- (7) Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

-
- (8) Manage and administer the business and affairs of the Association.
 - (9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
 - (10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.
 - (11) Make contracts.
 - (12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. The board of directors shall have the power to establish or change the location of any office or offices of the Association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of the Association, or any shareholder owning, in the aggregate, not less than 25 percent of the stock of the Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of the Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of the Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount; provided, that the scope of the Association's activities and services may not be expanded without the prior written approval of the Comptroller of the Currency. The Association's board of directors may propose one or more amendments to the Articles of Association for submission to the shareholders.

In witness whereof, we have hereunto set our hands this 11th of June, 1997.

Section 2.10. Remote Meetings. Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone, video or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

Advisory directors shall have such powers and duties as may be determined by the Board, provided, that the Board's responsibility for the business and affairs of this Association shall in no respect be delegated or diminished.

Section 3.2. Trust Audit Committee. At least once during each calendar year, the Association shall arrange for a suitable audit (by internal or external auditors) of all significant fiduciary activities under the direction of its trust audit committee, a function that will be fulfilled by the Audit Committee of the financial holding company that is the ultimate parent of this Association. The Association shall note the results of the audit (including significant actions taken as a result of the audit) in the minutes of the Board. In lieu of annual audits, the Association may adopt a continuous audit system in accordance with 12 C.F.R. § 9.9(b).

In addition, either the Chairman or the President may appoint, from time to time, committees of one or more officers, employees, agents or other persons, for such purposes and with such powers as either the Chairman or the President deems appropriate and proper. Whether appointed by the Board, the Chairman, or the President, any such committee shall at all times be subject to the direction and control of the Board.

Section 3.6. Meetings, Minutes and Rules. An advisory board of directors and/or committee shall meet as necessary in consideration of the purpose of the advisory board of directors or committee, and shall maintain minutes in sufficient detail to indicate actions taken or recommendations made; unless required by the members, discussions, votes or other specific details need not be reported. An advisory board of directors or a committee may, in consideration of its purpose, adopt its own rules for the exercise of any of its functions or authority.

ARTICLES OF ASSOCIATION
OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the

Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars (\$10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

- (1) Define the duties of the officers, employees, and agents of the Association.
- (2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
- (3) Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- (4) Dismiss officers and employees.
- (5) Require bonds from officers and employees and to fix the penalty thereof.
- (6) Ratify written policies authorized by the Association's management or committees of the board.
- (7) Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

-
- (8) Manage and administer the business and affairs of the Association.
 - (9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
 - (10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.
 - (11) Make contracts.
 - (12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. The board of directors shall have the power to establish or change the location of any office or offices of the Association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of the Association, or any shareholder owning, in the aggregate, not less than 25 percent of the stock of the Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of the Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of the Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount; provided, that the scope of the Association's activities and services may not be expanded without the prior written approval of the Comptroller of the Currency. The Association's board of directors may propose one or more amendments to the Articles of Association for submission to the shareholders.

In witness whereof, we have hereunto set our hands this 11th of June, 1997.
